

IGFRI Scientists participated in 'Swachhata hi Seva' Pakhwada

IGFRI Jhansi is observing 'Swachhata Hi Seva' Pakhwada (15 Sept to 02 Oct 2017) not only at Institute level but also approaching villages to create awareness of *swachhata* and fodder technologies among the villagers. The members of Mera Gaon Mera Gaurav (MGMG) Team-I took part in cleanliness drive in *Parasari* village of *Datia* district (MP) on 19-09-2017. Farmers were educated about the need to keep their surroundings clean, as part of the awareness programme the members participated in cleaning by sweeping the waste produce of farm and they were also advised to make effective use of cow dung by setting up biogas plant. The glimpses of the activities are below
