

Proceeding of Farm Advisory and Farm Produce Disposal and Price fixing committee
ICAR- IGFRI, Jhansi

F.No. 18/Job work/ farm/2018-19

Dated: 21/23.07.2018

A meeting of Farm Advisory and Farm Produce Disposal and Price Fixing Committee was held and following points were discussed and recommended during the meeting:

1. As reported by Coordinator, Pastureland, Palampur, the extension letter related to contract job work at Palampur has been extended upto September, 2018 vide part f. No. 1-2/NO/work contract /palampur/16-17 dated 16.07.2018 and 23.05.2018. Committee recommends to prepare the details of proposal as per new job contract work prepared at IGFRI and submit the fresh proposal.
2. As reported by indenter (Dr Sunil Kumar) that saplings (both grafted and seedlings of Aonla and Guava) are 02 years old, mostly saleable plants in the nurseries at different places are one year old so intender is of view that the saleable price should be reduce as mentioned in the submitted documents. Committee accepted the request of indenter and fix the prices as follows: grafted saplings of Aonla and Guava Rs.25/ plant and seedlings of Aonla and Guava @ Rs. 5/ plant.

This has approval from Director.
