● Rates effective from 01.4.2015 (Breeder) & 10.08.2016 (TFL)

● The Seed stock availability is the approximate stock available with S T Division as on 31-03-2017.

● The available stock includes already committed but un-lifted seed also.

● Breeder seed will be issued as per GOI indent and only remaining stock will sold on cost basis.
